

10.16.2014  
Agenda

# WISTEM

## Women in STEM

### Welcome

New members present: introduce e-board

### Old Business

Movie Night updates – hopefully none, since we're here! TAKE PICTURES!

E-Board meetings (scheduling and reserving rooms)

RSO Designs updates

SALP presentation

GoRSO updates – all e-board members, please check if you are able to edit items

Please check out all the news links and events. I will be updating GoRSO just as much as Facebook.

Discuss fundraiser ideas (T-shirts? Also discuss T-shirt designs)

Department e-mail sent – what did you think? Any departments skipped or unnecessary?

Dinner at The Grotto – anything else we need to do besides advertise?

Stargazing at Kalamazoo Nature Center

Reminder to apply for Conference for Undergraduate Women in Physics

### New Business

Discuss applications for funding – refer to SALP presentation

Plan new events and fine-tune details for events already set in motion

Graduate student panel?

Resume workshop?

Plan for November and general ideas of plans for December

### Notes (taken from Jen's notes 10.3.2014)

Katie Easley = great resource

Bake sale

Flagpoles reservation?

Alternatives

Chips?

Katie Ballman (Corning) = alumnus, might be able to visit in December

Alumni checkups

BIG events

Guest speakers

Talks around campus (colloquia)

Public Observing Sessions

Search Kzoo for more resources

How to write a resume, speakers, conventions, how to take the GRE, students speak out about experiences, grad students talk about research
